- offense. The maximum penalty is in excess of ten years. There is therefore a rebuttable presumption against the defendant's release based upon both dangerousness and flight risk, under Title 18 U.S.C. § 3142(e).
- (2) Defendant is viewed as a risk of danger to the community due to the nature of the instant offense. The AUSA alleges that a pound of methamphetamine and \$4000.00 cash was located at defendant's residence at the time of arrest.
- (3) Defendant is viewed as a risk of nonappearance as the defendant's background information is unknown or unverified and the Bureau of Immigrations and Customs Enforcement has placed a detainer on defendant.
- (4) Defendant stipulated to detention.
- (5) Based upon the foregoing information, it appears that there is no condition or combination of conditions that would reasonably assure future Court appearances and/or the safety of other persons or the community.

It is therefore ORDERED:

- (1) The defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- (2) The defendant shall be afforded reasonable opportunity for private consultation with counsel;
